

# Disability Awareness Training

## Free Online Training

The Disability and Inclusion Strategy approved by the States in November 2013 (Billet d'Etat XX11) included providing information and awareness raising about disability for the SoG and islanders.

Following consultation with disabled people and a number of Charities in Guernsey the SoG now have available Disability Awareness Training through an on line tool.

The training was developed by a number of charities and disabled people in Guernsey and therefore it is bespoke to Guernsey.

The training is made up of six short modules which take about 10 minutes to complete. You can do them individually or all at once.

The training is free and all you need to do is create an account at [bit.ly/2cAKeWv](https://bit.ly/2cAKeWv) Once you have created your account you simply need to go to [bit.ly/2djETDZ](https://bit.ly/2djETDZ)

Please feel free to share with as many individuals as possible across the SoG and also with any groups or individuals you wish outside work.
