

Calling all parents & guardians!

In what's our 5th event in the series, we'll be covering:

Recognising the warning signs of emotional distress in children

Thursday 18 May 2017

The HUB is delighted to work in partnership with Child and Adolescent Mental Health Services. CAMHS will deliver a session for parents on how to recognise the warning signs of emotional distress in children, and in doing so, will help lift the barrier on such children receiving appropriate care to best support their needs. **The speakers are Claire Doonan – Clinical Nurse Practitioner and Tony Collins – Clinical Nurse Specialist.**

Princess Royal Centre
for Performing Arts
@ 7.00pm - 8.30pm

All events in the series will include a Q&A panel, and parents and guardians will have a chance to chat to the experts on a one-to-one basis over drinks & snacks afterwards.
