What is Disability?

Its more than just ramps

Inaccessible buildings

Inaccessible transport

Cost of equipment

Panel interviews

Prejudice

Access to Education

Level of education

People's attitudes

Complex wording

People's assumption

High kerbs

Institutional Discrimination

Small Print Sizes

Inaccessible Services

Online-only recruitment processes

Stereotyping & Stigma

What is Disability?

- Disability is a continuum of functioning and participation involving environmental and personal factors (World Health Organisation)
- All humans are on a disability continuum

- Disability can affect everyone

What are the Numbers?

Guernsey has a working age population of 40,475.

It is estimated that there are more than 5,500 people of working age with a disability or long-term health condition.

Good Practice Guide for Employers in Guernsey

Guernsey Disability Alliance

GDA is a member organisation which encourages Guernsey to 'Think about Disability Differently'

- Promoting rights
- Collective Voice
- Raising Awareness
- Empowering disabled people

www.gda.org.gg

We All Matter Eh?

We are a group of islanders, and their families, sharing our stories of living with disability in the island of Guernsey.

We want to raise awareness and change the way the Guernsey Community thinks about disability locally.

Watch the We All Matter Eh videos
