

PRIMARY CARE SURVEY 2022

We would like to hear the views of islanders accessing primary health care services

You can complete the form online at:

<https://www.islandglobalresearch.com/primarycare>

Or you can contact us to request a paper form or callback

Tel: 01481 716227

Email: info@islandglobalresearch.com

Island Global Research

The results of this survey will be used to inform an ongoing review by the States of Guernsey of the funding and delivery model for primary care.

CareWatch is an independent community forum sponsored by the Committee for Health & Social Care (HSC). CareWatch acts as a two-way communication channel between the community and HSC.

CareWatch was established to act as a voice of service users and help shape the future of health and care in the Bailiwick.
