Directors' Responsibilities

The directors are responsible for preparing financial statements for each financial year in accordance with applicable laws. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the laws of Guernsey. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors confirm that the financial statements:

- have been prepared properly, in accordance with generally accepted accounting principles and in accordance with any relevant enactment for the time being in force; and
- are in agreement with the accounting records, which have been properly kept in accordance with Guernsey law; but
- give a true and fair view.

Exemption from Audit

A resolution was passed by the directors on 13 February 2013 at the annual general meeting to exempt the Company from audit. In accordance with Companies (Guernsey) Law, 2008 (as amended) these financial statements are exempt from the requirement to be audited and have not been audited.

Notes to the Financial Statements

For the period ended 31 December 2022

1 – Preparation basis

These financial statements have been prepared on an accrual's basis, and in accordance with FRS102.

2 – Purposes of these financial statements

The purpose of these financial statements is to provide a financial overview of the period 1 January 2022 to December 2022 to the executive board, and the members of the Guernsey Disability Alliance.

3 – Recognition of income

During the financial period, ringfenced income has only been recognised once it has been used for its intended purpose. Any income that is 'ringfenced' and therefore restricted is recognised as a liability as set out in note 5 until such a time these funds have been used. Unrestricted income is recognised within the statement of income and expenditure during the period it is received.

4 – Creditors

Creditors can be broken down as follows:

	£
The Guernsey Press	980
Islands Insurance	263
Karen Blanchford - Consortium	500
Chris George Photography	265
Total	2,008

5 – Debtors

Debtors can be broken down as follows:

	£
Les Cotils - Funds on Account	45
Focus HR - Prepaid Salary	2,983
Total	3,028

Notes to the Financial Statements (*Continued*)

6 – Ringfenced Income

Ringfenced income can be broken down as follows:

	Cash Unrestricted	Debtors/Creditors Movement	Adjusted Unrestricted
Ringfenced Income - GCF Members Meetings	1,356	(265)	1,091
Ringfenced Income - Access for All	7,295	(980)	6,315
Ringfenced Income – Collas Crill Trust	1,470	433	1,902
Ringfenced Income - Access for All Video (SIF)	6,560	-	6,560
Ringfenced Income - LB Foundation	26,048	2,288	28,335
Ringfenced Income - SIF	11,408	-	11,408
	54,137	1,475	55,612

These negative adjustments relate to funds that should have been spent during the financial period, but the cash did not leave the account prior to the period end. These are therefore recognised in the income statement via a creditor but not yet by cash movement as the expense was incurred during the financial period.

These positive adjustments are in relation to payments that were made in advance and relating to the next payment period, and therefore cash has left the account, but the restricted income has not been used within the financial period for its purpose yet. As such, these funds are still restricted.

6 – Fixed Assets and Depreciation

Tangible Assets held on the balance sheet are computer equipment provided to employees of the charity. These items are depreciated on a straight-line basis at a rate of 20%, or over a useful life of 5 years.

Asset Name	Purchase Date	Purchase Price	Depreciation Charge	Accumulated Depreciation	Book Value
iMac	05-Jul-21	1,610	322	404	1,207
Laptop	21-Oct-21	1,384	276	413	971
Total		2,994	598	817	2,177

For the period ended 31 December 2022

7 – Overall Note

With the continued support from so many generous and thoughtful individual companies, we have been successful in maintaining a healthy balance sheet position in 2022.

During the year, we received the following generous donations which are reflected either in restricted income if unused or partially used, or in the income statement.

Just Giving	242.75
GCF Awards	2,000.00
Lloyds Foundation	29,485.00
Social Investment Fund	42,411.67

We wholeheartedly thank all our donators for their kind support without which we would not be able to undertake our work effecting changes in the Bailiwick of Guernsey for everyone affected by disability.

However, all our reserves are restricted due to the nature of the donations being for specific work or resources. We are therefore aware that any additional expenditure needs to be budgeted and additional funds raised and appreciate any ongoing support provided in covering out of scope costs associated with the running of a staffed charitable organisation.
