Free online disability essentials training

The States of Guernsey and disability organisation AccessAble have developed **free** online training for disability essentials.

This is a **practical, engaging** course that will give you the knowledge and skills to **provide a great service to disabled people and carers**.

Disability impacts **1 in 4 households** and it is estimated that disabled people spend **£274 million in Guernsey** and **£274 billion in the UK**.

Whether you run a business or just want to learn more about disability awareness, the training will give you the **essential information** that you need. It has been developed with input from a number of different local organisations and consists of **five modules**.

- ★ What is disability?
- ★ Disability equality and the law
- ★ Types of impairments
- ★ Providing a good service
- ★ Language

The training combines **renowned legal expertise** with the **lived experiences** of disabled people. Throughout the course you'll **hear directly from disabled people**, who share their thoughts on how you can **provide a great service**.
